PEGGY MOORES

Each part of the pub's building has its own story, with the cottage at the rear of the pub dating back to 1898. The pub itself was first opened in 1908 by Peggy's father, Michael, and was later taken over by Peggy, who extended the premises around 50 years ago.

Today, Peggy Moore's blends over 100 years of history together with bright, spacious, modern design. During recent renovations, the McGowans stumbled upon a treasure trove of hundreds of items and historical records that had been kept in storage by the Moores.

Engrossed and excited by what they found, the new owners decided to weave everything they came across into the new design for the pub. The walls are decorated with original posters, photos and boxes from 100 years of deliveries and memories.

Peggy Moore's is back at the heart of the community again, serving up delicious food and drink, excellent live music, sport and plenty of craic.
